Tool #1: Ice Breakers

Human Poll

Ice Breakers

Purposes:

- 1. Build rapport
- 2. Focus attention
- 3. Energize

Requirements:

- 1. Actively involve everyone
- 2. Uses existing knowledge
- 3. Relevant to the meeting topic or group need

Tool #2: Brainstorming

Brainstorming Variations

Purposes:

- 1. Encourage creativity
- 2. Generate as many ideas as possible in a short amount of time

■ Variations

- ☐ Popcorn
- ☐ Sticky note
- ☐ Round robin
- ☐ Subgroup

Subgroup Brainstorming

- Step 1: Divide large group into subgroups of 2-4 participants
- **Step 2:** State topic, give time limit and ask each group to choose a recorder/reporter
- **Step 3:** Subgroup generates a list
- Step 4: Go around the room; each reporter shares one idea
- Step 5: Repeat until all ideas have been shared

Tool #3: Affinitizing

Affinity Diagrams - Grouping

Purposes:

- 1. Draws out common themes from a large amount of information
- 2. Discover previously unseen connections between various ideas or information
- 3. Brainstorm root causes and solutions to a problem

Affinity Diagrams

Step 1: Brainstorm on stickies (one idea per sticky).

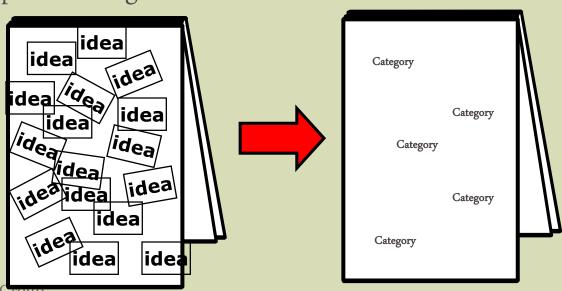

Step 2: Place all stickies on a wall

Step 3: Arrange the stickies in "like" or affinity groups

Step 4: Label each affinity group. 5-12 categories is ideal

Step 5:

Discuss to ensure everyone sees each group the same way

Tool #4: Prioritizing

Prioritizing Options

Purpose: Evaluate or rank preferences of the group

- Options:
 - Multivoting
 - Options Comparison Grid
 - Criteria Matrix
 - Nominal Group Technique
 - Pick 3, Drop 3

Pick 3 - Drop 3

Step 1: Select 3 options from the list that you believe would be most effective to implement – green dot or checkmark

Step 2: Select 3 ideas that you think should be deleted – red dot or X

Step 3: May repeat process to narrow further

Tool #5: Generating Solutions

7 Ways

Purpose: Lean Tool that forces team members to come up with as many ideas as possible to solve a problem or create a new process.

Step 1: Record description or list of issues related to the problem

Step 2: Brainstorm at least seven solutions to the problem

Step 3: Select the best solution(s) to resolve the problem

7 Ways Example

Decrease time spent in meetings

- Meetings run beyond scheduled time
- Attendees arrive late
- Decisions are rehashed
- Too many interruptions

- 1) Table long discussions
- 2) Prepare agendas and send in advance
- 3) Set up team ground rules
- 4) Ensure critical topics are discussed first
- 5) Establish guidelines for meeting content and what can be communicated in other ways
- 6) Record on flipchart decisions made and action items
- 7) Review who attends and ensure all are necessary

Tool #6: Process Check

Process Check Options

Purpose: Get feedback about the meeting effectiveness
